

SHEATHES Colonoscope/Sigmoidoscope Covers

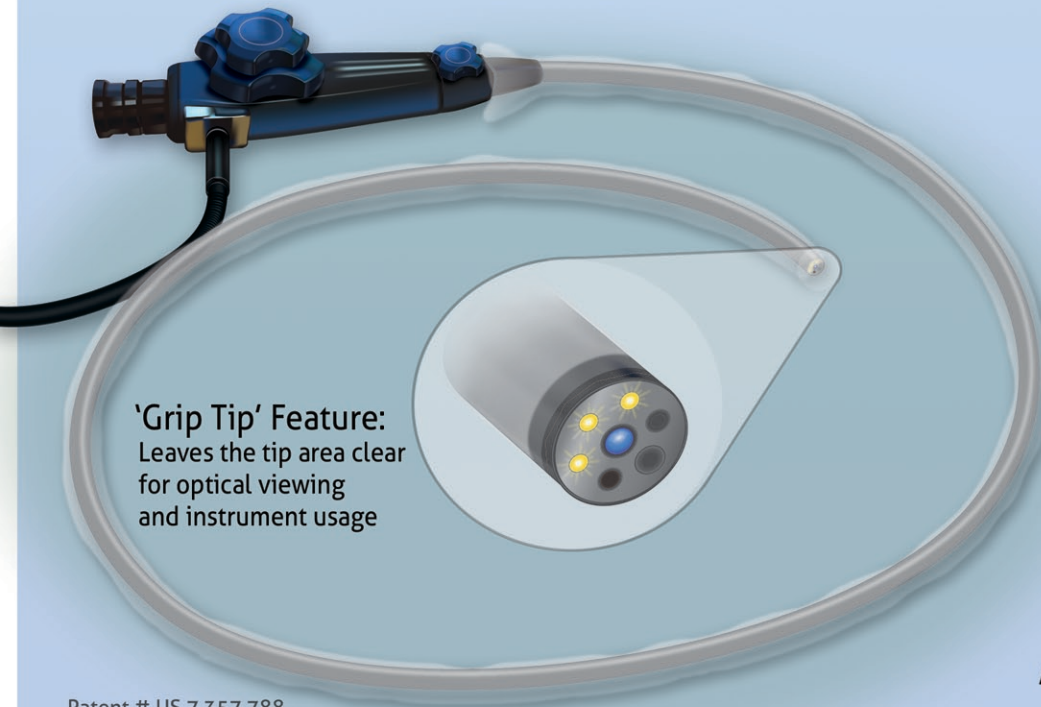

For Colonoscopy & Sigmoidoscopy Procedures

Product Features:

- Covers the scope from tip to handle
- Comes gathered on applicator
- Formulated for latex-sensitive patients:
No natural latex in ingredients
- Custom blended polyurethane
for extra lubrication (slip)
- Available in 3 tip sizes

Application Benefits:

- Reduces damage due to scrubbing of endoscope
- Helps prevent gross contamination for safety of patients & staff
- Protects costly endoscopes from intestinal debris
- Reduces time spent manually cleaning & improves turn around time
- Quick installation over length of endoscope
- Avoids potential for allergic reaction or sensitization
- Increases lubricity for safety and comfort of patient
- To better fit and seal to the outer scope

'Grip Tip' Feature:
Leaves the tip area clear
for optical viewing
and instrument usage
